Greetings!

The Good Friday Breakfast is vastly approaching and we are in need of volunteers. This year's breakfast is even more exciting because we're expecting to serve more than 1,000 individuals. In order to make this event a success we will need the help of several individuals.

Please volunteer and be a blessing to help the Y share our love with our fellow brothers and sisters in the community.

The following volunteer positions are available:

- Registration (12-15)
- A crew of volunteers to set up the night prior (20-25)
- A crew of volunteers to clean up (15-20)
- Volunteers for merchandise table (5-7)
- Various behind the scene duties (10-12)

If you are interested in volunteering or know of individuals who might want to help, please contact Fred Dorsey at 317.713.8517 or by e-mail at fdorsey@indymca.org.
